Dear xxxx:

I am deeply concerned about current reports of unsafe and unsanitary immigrant detention facilities that are being built and administered by for profit companies. Particularly troubling is the fact that these for profit companies are not subject to standardized medical rules and regulations. As a result, there is an alarming increase in COVID-19 outbreaks as well as a startling increase in random hysterectomies performed without informed consent.

The two largest offending for profit companies are the Geo Group and CoreCivic. I request that you verify if your company invests, directly or indirectly, in either of these two businesses. If you do, I urge you to divest immediately. Join the millions of Americans who support the humane treatment of asylum seekers and are disgusted by businesses that profit from human suffering.

Taking a principled stand against abuse and for justice will mark you as great patriots.

Thank you for considering my appeal. I look forward to your response.

Very truly yours,
