Treasurer's Report

As of November 30, we have \$5100 for CAPAS. We have received approval for \$5000 from UUFCC Endowment fund and \$5000 matching from UUSC CAPAS.

Fundraiser for Visani could be end of January/early February. Prefer Wednesday date because they have G-rated comedians on Wednesdays. Sell tickets for \$20. Ask for 75 tickets - 100 tickets.

SLACK

App used for communication and file sharing. We added to phones/ipads/computers and agreed to try to use it to communicate for CAPAS work. Nancy suggested activities for children.

Weekly CAPAS Meeting

Thursday at 2:00. Congregations with guests are meeting with CAPAS folks to share and support. All are welcome. Link was emailed. Laura will add to SLACK.

Budget

Laura and Kathy will work on a budget. \$700 from Red Cross has been used thus far to purchase items needed such as groceries/gas. We agreed to \$100/month stipend for family to go directly to mother. Nancy will also work on budget.
